You Know How Great You Are...But Does Everyone Else?

WRNJ Radio and the Hackettstown Business Improvement District want to let local area residents know about you and your business. Local residents drive through Hackettstown everyday and still might not know who you are or what you have to offer.

The Hackettstown BID will be co-sponsoring commercials highlighting local businesses in Hackettstown and surrounding communities on WRNJ. Record a 10-15 second promo and introduce yourself to all of your neighbors...especially the ones that may not know you're there!
